

The background is a deep blue with a fine, grainy texture. In the upper left, there are several rod-shaped organisms with flagella, some in white and some in dark blue. To their right, there are two rows of hexagonal chemical structures with various bonds and atoms. In the upper right, there are four dark blue, conical shapes resembling trees. Scattered throughout the page are numerous translucent, spherical droplets of varying sizes. In the lower right, there is a stylized logo for JSAM. At the bottom, there are white, wavy, ribbon-like shapes that appear to be flowing across the page.
